| 25/07/08 | <u>GRAFFITI ART DAY</u> Challock Village Hall 10:00am - 4:00pm |
| 10/09/08 | FIRST YOUTH CLUB AFTER SUMMER HOLIDAYS |
| 24/09/08 | <u>MARLOWE THEATRE TRIP</u> High School Musical (Evening) |

We have run a very successful series of Art Workshops which finished on the 18/06/08 which Clothes Customising. This proved extremely popular with the young people and resulted in them designing their own piece of artwork which was then transferred to an item of clothing which they kept. As a result of this success we have organised a Graffiti Art Day on Friday 25th July 2008 at Challock Village Hall from 10:00am to 4.00pm. Further information can be obtained from Sue Maidens on 740097 or by email to youthclub@challock.org.uk.

Facilitators

Graham and Tony have over 20 years experience of graffiti art. Their work has been exhibited in an Art Gallery and they have worked with young people all over Kent.

Content of Session

Every young person participating will be taken step by step through each stage of creating a design using either the initial of their first name or their whole name and developing it into a graffiti image for their board. They will then transfer this onto the boards which they will spray, in itself a process that involves using a variety of graffiti art techniques, guided by the artists. Some young people, depending on their confidence and ability, may also wish to create characters to go onto their design and again this will be supported by Graham and Tony. By the end of the day each young person will have their own individually designed and created board to take home. The workshop will be aimed at all levels and abilities and no previous experience of graffiti art is required.
